Artikel-Info

Art-Nr. 7100063

Bezeichnung : PCI Karte - 2 x Seriell Port

PCI Karte - 2 x Seriell FiFo

Technische Daten:
Erweiterung 2x seriell
- Einbau: PCI Bus 32 Bit intern
- Anschluss: 2x RS232 extern
- Spezifikation gemäß 16C550 UART
- Automatische IRQ Adressierung
- Max. Geschwindigkeit: 1 Mbytes/sec
- Unterstützt 16 byte transmit receive FIFO
- Plug and Play
- RoHS konform, FCC, CE

Specification
- PCI to Serial 2-port Controller Card based on NM9835CV

Features
- Plug & Play
- Automatically selects IRQ and I/O address
- Supports PCI IRQ sharing

Specification General
- PCI Specification Revision 2.1 compliant
- Compatible with standard 16C550 UART
- with 16 byte transmit-receive FIFO
- Fast data rates up to 1 Mbytes/sec
- DB9 serial port connector x 2
- Pin header serial port connector x 2

Approval
- System Requirement PC computer with one 32-bit PCI slot
- MS Windows 98SE / ME / 2000 / XP / NT4.0 / Linux or DOS
